**BS EN IEC 62368-1:2020+A11:2020, BS EN  
50385:2017, EN 301 511 V12.5.1, EN 303 413 V1.1.1,  
EN 301 908-1 V11.1.1, EN 301 908-2 V11.1.1, EN 301  
908-13 V11.1.1.**

This attestation **ECR/65620** is based on the Euro VERITAS Ltd indigenous Procedure/Scheme No- **EVL/CE/PC-A/2020/C-4**, produced documentation, including relevant test reports in relation to the product samples selected at the factory, other voluntary test results- **NVI/IIOT/AC/42/01 dated 10/1/2022** based on the established test plan, Declaration of Conformity (DoC) No. **ID/TCF/1/6-21** by the organization / manufacturer. This attestation is made on the basis of the particular samples of the mentioned products, Model Nos. as indicated on this certificate, and specifications as indicated on the DoC, as provided during the submission of the technical documentation, presumption of legitimacy of data related to test results and the witnessed testing activities during the IPC audit. Voluntary tests have been performed against the harmonised and other EN standards and the reports are indicative of the description of samples. This attestation is based on the confidence that all provisions concerning assessment of constancy of performance as mentioned above against each EU Directive. Euro VERITAS Ltd maintains a copy Declaration of Conformity (DoC) and the submitted test results.

The product complies with the principle production requirements of the said directive based on voluntary tests. This attestation applies to the product sample only, and its technical documentation provided for testing & certification. The detailed test results and standard(s) used as well as the operation mode are listed and verified. This attestation remains valid as long as the harmonized standard remains valid, and the process environment and Factory Production Control, are not significantly modified.

The Certificate does not permit the usage of Euro VERITAS Ltd Logo. The applicant of the certificate is authorized to use this certificate in conjunction with EC Declaration of Conformity, limited to the appropriateness of the technical report & documentation. After ensuring necessary compliance & availability of technical documentation, including valid test reports, as well as the performance declaration, the required CE mark can be affixed on the products, to demonstrate the compliance with the said directive.
